CARING FOR LIFE

Dear Phil,

Wow what a tremendous evening and result last Thursday! Without doubt the most optimistic of us would have been overwhelmed by the final sum of £210,400 being achieved. This last weekend has given time for us all to reflect on the Worcester Stands Tall event; how we have encompassed the City and attracted so many visitors. The raising of the awareness of St Richard's and all it does will be long lasting and we have gained so many supporters and friends.

I have always been in awe of all that the Worcester Ambassadors achieve, and also the way in which it is done, but in this instance you all had the courage to give full support to what dear Derek saw as an exciting and unique project for the County. I am sure that on Thursday by the end of the auction, that there was a star shining far more brightly as the Giraffes found their new owners. Please convey my thanks to all involved and also for all those who completed the 50km walk.

The success of the whole initiative could only be achieved with the wonderful support and passion that you provided, this rubbed off on so many other people helping us to fulfil and exceed all expectations. I personally have never been involved in such a wide reaching fundraising event and I am sure it will be the "Talk of the Town" for many years to come.

On behalf of our patients, their families and all those who will benefit from the success of Worcester Stands Tall, please accept our heartfelt thanks.

Yours sincerely,

**John Bawden**  
Chairman
